New Business

Clubs were recognized and their status was reviewed as related to USA Rugby South dues

- Bryan College Men – Full Member beginning in 2006 competing in Division III
- University of Memphis Men – Emerging Club that will not compete in South matrix in 2006

It was agreed that only one rep from the Mid South would attend the TU meeting in Ft. Lauderdale, who that is, is still undecided. It was voted that current officers will be retained until next fall meeting with the hope that D1 and D2 clubs will move to a fall/spring format so that officer elections will come just before that matrix and the South TU meeting.
